

## Ocean Power Technologies to Exhibit at Sea-Air-Space – The Navy League’s Global Maritime Exposition

April 30, 2019

### Largest Maritime Expo in the U.S. Takes Place from May 6-8, 2019 in National Harbor, Maryland

MONROE TOWNSHIP, N.J., April 30, 2019 (GLOBE NEWSWIRE) -- Ocean Power Technologies, Inc. (“OPT” or “the Company”) (NASDAQ: OPTT), a leader in innovative and cost-effective ocean energy solutions, announced today the company will be an exhibitor at the U.S. Navy League’s Sea-Air-Space Exposition at the Gaylord National Convention Center, in National Harbor, Maryland, May 6th through May 8th.

OPT exhibited at the 2018 Forum for SBIR/STTR Transition Program, a program sponsored by the Office of Naval Research (ONR) which was held in conjunction with the Sea Air Space Exhibition.

OPT will be featured in **Booth #2836** in a prime location in the main hall of the Expo, the largest maritime exposition in the U.S.

OPT engineers and technical sales staff will be available at the booth to explain the latest features of OPT’s hybrid PowerBuoy<sup>®</sup>, Station-keeping buoy, and the PB3 PowerBuoy<sup>®</sup> and can answer any questions you may have about our groundbreaking autonomous maritime solutions.

Company representatives will also be providing updates on current projects and new product development.

George H. Kirby, President and Chief Executive Officer of Ocean Power, commented, “We were honored to accept the Navy League’s invitation to participate in the 2019 Sea-Air-Space show. Our reps will be showcasing OPT’s hybrid PowerBuoy<sup>®</sup>, and our latest and most advanced PB3 PowerBuoy<sup>®</sup> product line, as well as highlighting the broad range of potential applications for these offshore energy production and storage devices.”

He continued, “We believe our products make it possible for enterprises of all sorts to operate offshore 24/7, 365 days a year. Our products provide the energy support infrastructure that we believe these enterprises need to complete their projects efficiently and on schedule.”

Kirby concluded by noting, “I was very pleased to hear that the theme for this year’s Sea-Air-Space is Sustainability, Agility, Superiority, because OPT’s products are designed from the ground up with all three of these characteristics in mind.”

### About the Navy League’s Sea-Air-Space Exposition

The Navy League’s Sea-Air-Space Exposition was founded in 1965 as a means to bring the U.S. defense industrial base, private-sector U.S. companies and key military decision makers together for an annual innovative, educational, professional and maritime based event located in the heart of Washington, DC. Sea-Air-Space is now the largest maritime exposition in the U.S. and continues as an invaluable extension of the Navy League’s mission of maritime policy education and sea service support.
