

## Ocean Power Technologies Announces First Quarter FY2021 Results

September 14, 2020

**Investor Conference Call and Webcast on September 15, 2020, at 11:00 A.M. ET**

MONROE TOWNSHIP, N.J., Sept. 14, 2020 (GLOBE NEWSWIRE) -- Ocean Power Technologies, Inc. ("OPT" or "the Company") (Nasdaq: OPTT), a leader in innovative and cost-effective ocean energy solutions, today announced financial results for the first quarter of fiscal year 2021 ended July 31, 2020.

### Recent Operational Highlights

- OPT announced two complementary new products: the hybrid PowerBuoy® with solar panels and an efficient Stirling engine to power payloads independent of wave activity; and the Subsea Battery that is compatible with PowerBuoy® products or deployable as a standalone power source.
- The Company unveiled a Surface Surveillance Solution integrating high-definition radar and cameras with state-of-the-art security sensors and software to enable agencies and organizations seeking to secure marine assets and territorial waters.
- OPT expanded its sales team with an Indonesia-based Southeast Asia representative to execute the Company's customer expansion strategy in the region.
- The Company opened a Houston office strategically located adjacent to the city's Energy Corridor as a base for regional sales and business development activities in support of Gulf of Mexico and broader U.S. and South America opportunities.
- OPT's PB3 PowerBuoy® on lease to Eni and deployed in the Adriatic Sea reached a milestone surpassing more than 600 days of continuous operation.

### Management Commentary

"We are fielding strong demand for proposals of OPT solutions from diverse markets," said George H. Kirby, President and Chief Executive Officer of OPT. "With new products and solutions, and an expanding sales and business development presence, we believe that we are well-positioned to deliver on our commitment to grow our revenue."

### First Quarter Fiscal Year 2021 Financial Review

Revenue for the first quarter of fiscal year 2021 was \$0.2 million, which was essentially flat compared to the first quarter of fiscal year 2020. Revenue for the three months ended July 31, 2020, was primarily derived from the Enel Green Power project, while revenue for the same period in the prior year was mainly from projects with Premier Oil and the U.S. Navy. The net loss for the first quarter of fiscal 2021 increased by \$0.4 million as compared to the first quarter of fiscal 2020, which was mainly attributable to product development and administrative costs.

### Balance Sheet and Cash Flow

Total cash, cash equivalents, and restricted cash was \$12.0 million as of July 31, 2020. Net cash used in operating activities decreased by \$0.9 million during the first quarter of fiscal 2021 to \$2.7 million, as compared to the first quarter of fiscal 2020. On May 5, 2020, the Company received \$0.9 million from the Paycheck Protection Program made available by the Coronavirus Aid, Relief and Economic Security Act, commonly referred to as the CARES Act.

### Conference Call & Webcast

OPT will host a conference call and webcast to review its financial and operating results on Tuesday, September 15, 2020, at 11:00 A.M. Eastern Time. Interested parties may access the conference call by dialing 877-407-8291 (toll-free in the U.S.) or 201-689-8345 for international callers.

Investors, analysts, and members of the media interested in listening to the live presentation are encouraged to join a webcast of the call available on the investor relations section of the Company's website at <https://www.oceanpowertechnologies.com/investor-relations>.

A digital replay will be available by telephone approximately two hours after the completion of the call and until December 15, 2020. It may be accessed by dialing 877-660-6853 from the U.S. or 201-612-7415 for international callers and using the Conference ID#13694019. The archived webcast will also be available on the OPT website investor relations page.

### About Ocean Power Technologies

Headquartered in Monroe Township, New Jersey, OPT aspires to transform the world through durable, innovative, and cost-effective ocean energy solutions. Its PowerBuoy® solutions platform provides clean and reliable electric power and real-time data communications for remote offshore and subsea applications in markets such as offshore oil and gas, defense and security, science and research, and communications. To learn more, visit [www.oceanpowertechnologies.com](http://www.oceanpowertechnologies.com).

### Forward-Looking Statements

This release may contain forward-looking statements that are within the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are identified by certain words or phrases such as "may", "will", "aim", "will likely result", "believe", "expect", "will continue", "anticipate", "estimate", "intend", "plan", "contemplate", "seek to", "future", "objective", "goal", "project", "should", "will pursue" and similar expressions or variations of such expressions. These forward-looking statements reflect the Company's current expectations about its future plans and performance. These forward-looking statements rely on a number of assumptions and estimates which could be inaccurate and which are subject to

risks and uncertainties. Actual results could vary materially from those anticipated or expressed in any forward-looking statement made by the Company. Please refer to the Company's most recent Forms 10-Q and 10-K and subsequent filings with the SEC for a further discussion of these risks and uncertainties. The Company disclaims any obligation or intent to update the forward-looking statements in order to reflect events or circumstances after the date of this release.

#### Financial Tables Follow

Additional information may be found in the Company's Annual Report on Form 10-K that has been filed with the U.S. Securities and Exchange Commission ("SEC"). The Form 10-K may be accessed on [www.sec.gov](http://www.sec.gov) or the Company's website in the Investor Relations section.
