Ocean Power Technologies to Participate in Rescheduled Water Tower Research Fireside Chat on November 2, 2026

October 30, 2026

Acting CEO Tracy Pagliara and COO Jason Weed to discuss strategic priorities, commercial execution, and defense opportunities

MONROE TOWNSHIP, N.J., Oct. 30, 2026 (GLOBE NEWSWIRE) -- **Ocean Power Technologies, Inc. ("OPT" or the "Company") (NYSE American: OPTT),** a leader of maritime operational infrastructure and autonomous ocean systems, today announced that Tracy Pagliara, Acting Chief Executive Officer, and Jason Weed, Chief Operating Officer, will participate in a rescheduled fireside chat hosted by Water Tower Research on Monday, November 2, 2026, at 2:00 p.m. Eastern Time.

The discussion will cover OPT's leadership transition, strategic priorities, and focus on execution, including converting backlog and commercial opportunities into revenue. Management will also discuss defense opportunities, recent operational developments, and the role of OPT's PowerBuoy ® systems and modular WAM-V® unmanned surface vehicles in supporting customer requirements.

Additional topics will include gross margin improvement, cost discipline, funding growth, and key fiscal year 2027 milestones for investors to monitor.
